

**INTERNAL REGULATION OF  
THE AUDIT AND VALUATION COMMITTEE  
OF FONDUL PROPRIETATEA S.A.**

**1. PREAMBLE**

The Internal Regulation of the Audit and Valuation Committee of Fondul Proprietatea S.A. (“**the Regulation**”) establish the general norms regarding the organization and conduct of activities within the Audit and Valuation Committee of Fondul Proprietatea S.A. (hereinafter called “**the Fund / the Company / Fondul Proprietatea**”).

**2. COMPOSITION**

- 2.1. The Audit and Valuation Committee is a permanent committee, which exercises its duties and responsibilities independently from the Sole Director of Fondul Proprietatea and the Board of Nominees, providing defined oversight responsibilities in an advisory (consultative) capacity with respect to the financial reporting, internal control framework, internal and external audit processes, and compliance with applicable laws and regulations, as well as the risk management framework.
- 2.2. The Audit and Valuation Committee shall consist of members whose number shall be determined by the Board of Nominees. The number of the members of the Audit and Valuation Committee shall not be less than three.
- 2.3. The majority of the members of the Audit and Valuation Committee shall be independent. At least one member of the Audit and Valuation Committee should have competences in the field of statutory auditing and accounting.
- 2.4. The Chairperson of the Audit and Valuation Committee shall be an independent member, being appointed by the Board of Nominees or by the members of the Audit and Valuation Committee. The Chairperson of the Audit and Valuation Committee shall not be the Chairperson of the Board of Nominees or of other committees, unless this is justified by the size of the Board of Nominees.

**3 MAIN ROLES AND RESPONSIBILITIES**

The main roles and responsibilities of the Audit and Valuation Committee are the following:

- a) to examine and review the annual financial statements of the Company, and the financial information should be made available to all members of the AVC;
- b) to be responsible for the selection procedure of the financial auditor or audit firm and recommends to the members of the Board of Nominees and to the general shareholders meeting the financial auditor or audit firm(s) to be appointed in accordance with the legal provisions in force;
- c) to periodically receive and review information regarding changes in audit regulation, market trading rules and valuation of the Fund Portfolio with the Sole Director and Board of Nominees;
- d) to prepare an annual report on its activities within the year;
- e) to examine the efficiency of financial reporting, internal control system and risk management

- processes on a periodic basis and to explain how the statutory audit contributed to the integrity of financial reporting and what role the Audit and Valuation Committee played in the process;
- f) to perform an annual assessment of the internal control system. The assessment should consider the effectiveness and scope of the internal audit function, the adequacy of risk management and internal control reports to the audit and valuation committee of the Board, management's responsiveness and effectiveness in dealing with identified internal control failings or weaknesses and their submission of relevant reports to the Board.
  - g) to ensure that the audit analysis performed and the audit reports produced as a result thereof, comply with the audit plan approved by the Sole Director;
  - h) to support the Board of Nominees in monitoring the credibility, independence and integrity of:
    - i. financial information reported by the Company, by reviewing the relevance and consistency of the accounting standards applied by it (including the requirements on consolidation); and
    - ii. the valuations of unlisted and listed portfolio companies performed by the Sole Director, with the assistance of external third-party advisers, including the valuation methodology used for each valuation;
    - iii. all AVC members should be invited to the Board of Nominees meetings regarding financial matters.
  - i) with respect to internal auditing:
    - 1. to monitor the application of statutory and generally accepted standards of internal auditing. Thus, the Audit and Valuation Committee should receive and evaluate the reports of the internal audit team, including with respect to its independence and effectiveness, making recommendations to the Board;
    - 2. to monitor the implementation of the annual internal audit work plan and monitor the implementation of recommendations of the internal audit and provide necessary guidance;
  - j) with respect to the financial auditor:
    - 1. to be informed of the financial auditor's scope of work and to receive a report describing all the existing relations between the latter, on one hand, and the Company and the group he's/she's a member in on the other hand;
    - 2. to discuss the annual audit work plan with the financial auditor;
  - k) to approve a policy on the provision of permitted non-audit services by the financial auditor in line with legal requirements and enforce implementation of that policy.
  - l) to scrutinize the Sole Directors' recommendations regarding the selection, appointment, reappointment and replacement of the financial auditor, as well as the terms and conditions of audit compensation (remuneration).
  - m) to assist the Board of Nominees in the assessment on the adequacy and effectiveness of the internal controls and risk management frameworks, including the oversight of the responsibilities for the efficiency of the risk management framework, as well as to monitor the activity of the risk management function;
  - n) to oversee the preparation of sustainability-related reports and information included in them, where

applicable under the relevant regulations.
