Important events to be reported: S.C. Fondul Proprietatea SA (the “Fund”) - Update on litigations started by a shareholder of the Fund

Franklin Templeton Investment Management Ltd. United Kingdom Bucharest Branch (“FTIML / Fund Manager”), in its capacity as Sole Administrator and Fund Manager of SC Fondul Proprietatea SA would like to inform shareholders and investors that, on 12 October 2012, the Bucharest Court announced that it ruled in favour of the Fund in file no.26255/3/2012 between Ioana Sfîrăială, a shareholder of the Fund, as plaintiff and Fondul Proprietatea, as defendant.

Through the decision adopted, the Bucharest Court rejected as groundless Ioana Sfîrăială’s request of intervention and ordered the registration with the Trade Register of the Fund’s Ordinary General Meeting of Shareholders’ Resolution no. 20 of 27 June 2012 (“OGM Resolution no. 20/2012”). The decision issued by the Bucharest Court can be appealed.

The Fund Manager reminds the Fund’s shareholders that, in file no. 26255/3/2012, Ioana Sfîrăială requested the Bucharest Court to block the registration with the Trade Register of OGM Resolution no. 20/2012 for approving the second Addendum to the 2012 Budget.

Please note that the Fund Manager acknowledged this information from the Bucharest Court’s official website. The Fund Manager has not yet received any official documents from the Bucharest Court regarding the Court’s decision in this file.

Further details about the most important cases started by this shareholder for which we received subpoenas from the courts are set out in the table attached as an Annex to this report.

The Fund Manager will inform shareholders and investors of any further developments in these files, continuing to vigorously defend the interests of the Fund and all its shareholders from adverse parties.
