Update on all litigations between a litigant and Fondul Proprietatea SA

Franklin Templeton Investment Management Ltd. United Kingdom Bucharest Branch ("**the Fund Manager**"), in its capacity as sole administrator and fund manager of Fondul Proprietatea SA ("**the Fund**"), would like to update shareholders and investors on all ongoing cases between Ioana Sfiraiala (**the "Litigant"**) and the Fund, as set out in the table enclosed as an Annex to this report.

In particular, the Fund Manager would like to highlight that the Bucharest Court has ruled in favour of the Fund in file no. 16453/3/2013 regarding the annulment action filed by the Litigant against several Shareholders' Resolutions of 25 April 2012.

The Fund did not receive yet the full documentation in this case, but based on the short description available on the court's website, the Court has dismissed the Litigant's claim by acknowledging her lack of interest in promoting the claim.

The updated table of all pending files, as well as all closed files with the same Litigant, is available on the Fund's webpage and can be accessed [here](#).

The Fund Manager will continue to update shareholders and investors of further material developments in these files and will continue to vigorously defend the interests of the Fund on behalf of all its shareholders.
