**"Annex**

The fees due to the Fund Manager in accordance with clause 10 of this Management Agreement shall be calculated and paid in RON by the Customer in compliance with the following provisions. The fee shall be calculated based on a (i) Base Fee, and (ii) a Distribution Fee.

1. The Base Fee is applied to the notional amount according to the following formula:  
the Base Fee Rate multiplied by the notional amount, multiplied by the number of calendar days of payment, divided by 365,

where

the Base Fee Rate = 60 basis points per year;

1 basis point = 0.0001; and

the notional amount is the market capitalization of the Customer which is defined as the number of the Customer's paid shares, minus the weighted average number of the Customer's settled own shares held in treasury over the calculation period, then multiplied by the weighted average market price of the Customer's shares calculated for the corresponding quarter. The weighted average market price is computed based on the daily average market prices of the Customer's shares and corresponding daily volumes, as published by Bucharest Stock Exchange REGS section. If the number of shares relevant for the computation of the Base Fee (described above) changes over the calculation period, the Base Fee will be an aggregation of the computation for each sub-period.

2. It is recognized that distributions beneficial to shareholders would reduce the notional amount upon which the Base Fee is calculated; to reward the Fund Manager for arranging such distributions, a Distribution Fee shall be payable as follows:

- 200 basis points of total non-dividend distributions (including, without limitation, repurchases of own shares and returns of share capital) made available up to and including 31 October 2015; and  
- 100 basis points of total non-dividend distributions (including, without limitation, repurchases of own shares and returns of share capital) made available from and including 1 November 2015.

Reference is made to distributions being "made available" to clarify that any failure on the part of any shareholder to collect, or to take the necessary steps to facilitate the receipt of, these distributions will not result in any adjustment of the calculation of the Distribution Fee due to the Fund Manager. The calculation of the Distribution Fee shall be made when such distributions become available to shareholders (e.g. payment start date). In case of repurchase of own shares, the calculation of the Distribution Fee shall be made at the date when the own shares repurchase transactions are settled.

3. The Base Fee shall be paid to the Customer quarterly, based on the invoices to be issued by the Fund Manager within twenty (20) business days following the end of the quarter for which payment is made.

The Distribution Fee shall be paid by the Customer quarterly, based on the invoices to be issued by the Fund Manager within twenty (20) business days following the end of the quarter in which the relevant date for calculating the distribution amount occurred. The calculation of the first payment period shall cover all non-dividend distributions made available from (and including) 30 September 2014 up to the end of the relevant period (regardless of the date on which this clause becomes effective).

The invoices for the Base Fee and the Distribution Fee shall be submitted to the Depositary of the Customer's assets.

The Fund Manager shall provide to the BoN quarterly and on an annual basis and upon reasonable request of the BoN a detailed report regarding the fees collected under this Management Agreement, in the form reasonably required by the BoN.

4. The payment of fees (Base Fee and Distribution Fee) shall be arranged by the Fund Manager only after the verification and certification by the Depositary of the correctness of the calculation: notional amount, value of distributions, all the other items used in calculation of the fees, as well as the modalities for determining the fees.

The payment shall be done within 30 business days since receipt of the invoice."
