For the avoidance of any doubt, termination of the mandate and this Management Agreement in accordance with this Clause 13.2 will not entitle the Fund Manager to any Damages or the payment of any amounts other than the fees to be paid in accordance with Clause 13.6 below. This is without prejudice to Clause 17.4(c) but, for the avoidance of any doubt, such Clause 17.4(c) will never extend to Damages for termination in accordance with this Clause 13.2.

13.3 The Fund Manager may terminate this Management Agreement and resign its mandate as Sole Director with six months’ prior written notice. Not later than five business days following the Termination Notice Date, but subject to timely approval of the GSM agenda by the BoN, the Fund Manager will call the OGM having on the agenda the approval of the procedure for the selection of a new Sole Director and Fund Manager. Such procedure will be prepared by the Fund Manager and agreed with the BoN before its submission to an OGM for approval.

13.4 The Fund Manager may terminate this Management Agreement and resign its mandate as Sole Director by as much prior written notice to the Customer as is reasonably practicable, if:

- (a) the termination has been required by, or as a result of, a binding decision issued by any competent regulatory authority; or
- (b) if material obligations under this Management Agreement can no longer be fulfilled due to changes in the applicable law compared to the date of signing this Management Agreement, provided that the Fund Manager has used reasonable endeavours to comply with or (if it is not possible for the Fund Manager to do so) to propose a reasonable alternative arrangement involving an Affiliate which would comply with the relevant law, in accordance with Clause 14.4 below, but despite those efforts compliance would not be possible; or
- (c) if the Customer becomes the subject of any definitive winding up order.

13.5 In any event a Termination Notice is sent (except under Clause 13.4) or in the event of expiry of this Management Agreement, the Fund Manager shall (except to the extent otherwise required in writing by the Customer) continue to carry out all such acts as it is empowered and required to do by any part of this Management Agreement until the New Appointment Date provided that this obligation is subject to the continuing satisfaction of the following conditions:

- (a) the terms of this Management Agreement (including, without limitation, all authorisations from the Customer to the Fund Manager and all terms of remuneration and indemnity in favour of the Fund Manager) shall continue to apply;
- (b) the shareholders at GSM approve resolutions proposed by the Fund Manager to ratify and approve, to the extent legally possible:
 - (i) the Fund Manager's mandate as sole director and fund manager of the Customer, with effect until the New Appointment Date and
 - (ii) all legal acts (including decisions and contracts) concluded, adopted and issued on behalf of the Customer by the Fund Manager and any implementation acts, facts and operations based on such, including the management of the Customer under a unitary system, but, in each case, without prejudice to any grounds for termination given by the Customer in any prior Termination Notice and to any rights of the Customer under Clause 17 hereunder; for the avoidance of any doubt, the condition under this paragraph (b) will not apply in the event that the ratification from the GSM is requested for acts performed by the Manager in breach of its legal and/or contractual obligations as Fund Manager and Sole Director;
- (c) the BoN shall use all reasonable endeavours to ensure that the New Appointment Date occurs as soon as possible; and
- (d) the mandate as Sole Director does not end between the Termination Notice Date and the New Appointment Date, unless such ending is caused by deliberate actions of the Fund Manager, in which case the condition under this paragraph (d) will not apply.

13.6 Termination of this Management Agreement shall not terminate rights and obligations which are capable of surviving termination, including in particular, duties of the Fund Manager to report to the Customer, to provide information to the Customer and to keep matters confidential and for the Customer to indemnify the Fund Manager in accordance with Clause 17.4(c), which, for the avoidance of any doubt, will never extend to Damages for termination in accordance with this Clause 13. Transactions in progress shall be dealt with in accordance with the Customer's instructions or, in the absence of such instructions, having regard to the best interests of the Portfolio.

13.7. In the event a Termination Notice is sent, the Fund Manager shall be paid in respect of its services hereunder on a pro rata basis with the duration of the provision of these services in accordance with Clause 13.5 above, in compliance with the Annex 1 (Fees), up to the New Appointment Date. Each Party undertakes to comply with its obligations under the Data Protection Laws in relation to such personal data it processes in relation to this Management Agreement including amongst others, to observe all the applicable formalities concerning notifying the competent data protection authority, as well as concerning informing and obtaining the relevant consent from the data subjects, where required and as incumbent upon it under the Data Protection Laws. Notwithstanding the generality of the foregoing, the Customer acknowledges and agrees that personal data relating to its investors being natural persons may be transferred to the Fund Manager and may be processed as imposed by the applicable legal provisions by the Fund Manager as if such data related to the Customer itself, with the exception that in this particular case the Customer shall be the data controller (within the meaning of the Data Protection Laws) acting in accordance with the notification registered by it with the National Supervisory Authority for Personal Data Processing under no. 18668, as such would be amended from time to time, whilst the Fund Manager shall only act as its data processor (within the meaning of the Data Protection Laws). 22. TRANSITORY AND FINAL PROVISIONS

22.1. 22.2. For the duration of this Management Agreement and irrespective of any replacement of the Fund Manager to which the Customer may consent, the Fund Manager undertakes (and must ensure that any entity in the Fund Manager's Group with which the Fund Manager may be replaced undertakes) that Mr. Grzegorz Maciej Konieczny, in his capacity as the Investment Manager's legal representative with respect to the Customer and Permanent representative of the Fund Manager, (i) will be not, without the prior express written approval of the BoN, changed, replaced or dismissed, save as a result of his misconduct, nor will the Fund Manager do any similar acts or things or do anything which may have a similar effect, and (ii) it will use all reasonable efforts to procure that Mr. Grzegorz Maciej Konieczny must, for the duration of his role (or any replacement to whom investment discretion is allocated) in the course of this Management Agreement, devote the necessary time for the management of the Portfolio, subject to compliance at all times with the conflict of interest provisions set forth under the AIFM Rules.

Annex 1 - Fees

The fees due to the Fund Manager in accordance with Clause 10 of this Management Agreement shall be calculated in RON and invoiced and paid in Euro by the Customer in compliance with the following: the amount calculated in RON will be converted into Euro using the official exchange rate for RON to Euro published by National Bank of Romania for the last day of the period invoiced.

The fees shall be calculated as (i) a Base Fee, and (ii) a Distribution Fee, in each case as set out below and in respect of each Calculation Period.

1. Base Fee

A base fee (the "Base Fee") shall be calculated as follows:

Base Fee Rate multiplied by the notional amount, multiplied by the number of calendar days during the applicable Calculation Period divided by 365,

where:

the "Base Fee Rate" = 60 basis points per year;

1 basis point = 0.0001; and

the "notional amount" is the market capitalization of the Customer, which is defined as:

- (a) the number of the Customer's paid shares considered on daily basis, minus
- (b) the weighted average over the applicable Calculation Period of the number of the Customer's -settled own shares together with the number of the Customer's equivalent ordinary shares represented by Global Depositary Receipts ("FP GDRs"), in each case where those shares or FP GDRs are held by the Customer as treasury shares,
- (c) then multiplying the resulting number by the weighted average market price of the Customer's shares calculated for the applicable Calculation Period. The "weighted average market price" shall be computed based on the daily average market prices of the Customer's shares and corresponding daily volumes, as published by Bucharest Stock Exchange REGS section.

If the number of shares relevant for the computation of the Base Fee described above in (a) and (b)[changes over the Calculation Period, the Base Fee will be an aggregation of the computation for each sub-period.

For each day in a Calculation Period for which the Base Fee is to be calculated, when the Discount is below or equal to 20%, but above 15%, an additional Base Fee Rate of 5 basis points per year shall become payable (i.e. the Base Fee Rate referred to in the calculation above shall become 65 basis points per year for the applicable days in the relevant period).

For each day in a Calculation Period for which the Base Fee is to be calculated, when the Discount is equal or below 15%, a further additional Base Fee Rate of 5 basis points per year shall become payable (i.e. the Base Fee Rate referred to in the calculation above shall become 70 basis points per year for the applicable days in the relevant period).

As the Base Fee (including any additional fee determined under the previous two paragraphs) is computed using the number of days in a calendar year (365 days), the Base Fee Rate used for non-trading days will be the rate applied for the prior trading day.

2. Distribution Fee

It is recognized that distributions beneficial to shareholders would reduce the notional amount upon which the Base Fee is calculated. To reward the Fund Manager for arranging such distributions, a fee shall be calculated as follows (an amount so calculated in respect of a particular period, a "Distribution Fee"):

(a) 200 basis points of the total non-dividend distributions (including, without limitation, repurchases of own shares, repurchases of FP GDRs and returns of share capital) made available up to and including 31 March 2017;

(b) 150 basis points of total non-dividend distributions (including, without limitation, repurchases of own shares, repurchases of FP GDRs and returns of share capital) made available from 1 April 2017 up to and including 30 September 2017; and

(c) 100 basis points of total non-dividend distributions (including, without limitation, repurchases of own shares, repurchases of FP GDRs and returns of share capital) made available from 1 October 2017 up to and including 1 April 2018.

Reference is made to distributions being "made available" to clarify that any failure on the part of any shareholder to collect, or to take the necessary steps to facilitate the receipt of, these distributions will not result in any adjustment of the calculation of the Distribution Fee due to the Fund Manager. The calculation of the Distribution Fee shall be made when such distributions become available to shareholders (e.g. payment start date). In case of a repurchase of own shares or of FP GDRs, the calculation of the Distribution Fee shall be made at the date when the own shares repurchase transactions or FP GDRs transactions are settled. For FP GDRs transactions, the Distribution fee will be computed taken into account the official exchange rate published by the National Bank of Romania for the date of settlement of FP GDRs transactions.

3. Payments

(a) The Base Fee shall be paid by the Customer quarterly, based on the invoices to be issued by the Fund Manager within twenty (20) business days following the end of the quarter for which payment is to be made.

(b) The Distribution Fee shall be paid by the Customer quarterly, based on the invoices to be issued by the Fund Manager within twenty (20) business days following the end of the quarter for which the Distribution Fee was calculated.

(c) The invoices for the Base Fee and the Distribution Fee shall be submitted to the Depository.

(d) The Fund Manager shall provide to the BoN quarterly and on an annual basis and upon reasonable request of the BoN a detailed report regarding the fees collected under this Management Agreement, in the form reasonably required by the BoN.

(e) The payment of each fee shall be done within 30 business days of the receipt of the applicable invoice.

4. Verification

The payment of the Base Fee and the Distribution Fee shall be arranged by the Fund Manager only after the verification and certification by the Depository of the correctness of the following amounts used in the calculation of those fees: the notional amount, the value of distributions, and all the other items used in calculation of the fees, as well as the methods for determining the fees.
