INVESTMENT POLICY STATEMENT OF FONDUL PROPRIETATEA SA

I. PURPOSE OF THE INVESTMENT POLICY STATEMENT

This investment policy statement (hereinafter referred to as the “**Investment Policy Statement**” or “**IPS**”) sets the prudential rules concerning the investment policy of Fondul Proprietatea S.A. (hereinafter referred to as “**Fondul Proprietatea**” or “**FP**”) and presents the investment goals, objectives and the decision-making process for selecting investments in accordance with the investment objectives.

The IPS provides criteria against which investment results will be measured and serves as a review document to monitor, evaluate and compare the performance of the Fund Manager on a regular basis.

The IPS shall be reviewed when needed by the Fund Manager together with the Board of Nominees, in accordance with the provisions of FP’s Constitutive Act and the applicable legal provisions.

The IPS is set forth within the legal framework established by Title VII of Law 247/2005 and any related and ancillary legislation in force, and, in accordance with FP’s Constitutive Act, the Extraordinary General Shareholders’ Assembly is responsible for approval of the IPS.

II. ROLES, RESPONSIBILITIES AND PROCEDURES

A. **Fund Manager.** The Fund Manager is appointed by the General Shareholders Meeting and performs its activity based on an Investment Management Agreement entered into between Fondul Proprietatea and the Fund Manager (hereinafter referred to as the “**IMA**”).

The Fund Manager has the power to make all decisions concerning the investments to be made by Fondul Proprietatea, in accordance with the restrictions provided in this IPS, the Constitutive Act of Fondul Proprietatea, the IMA and applicable laws and regulations.

B. **Board of Nominees.** The Board of Nominees monitors the activity of the Fund Manager and represents the shareholders in relation to the Fund Manager. The exact roles and responsibilities of the Board of Nominees are detailed in the Constitutive Act of Fondul Proprietatea.

C. **General Shareholders Meeting.** The General Shareholders Meeting is the supreme corporate body of Fondul Proprietatea. Certain transactions performed by Fondul Proprietatea require the prior approval of the General Shareholders Meeting, in accordance with the Constitutive Act and the applicable legislation.

III. INVESTMENT OBJECTIVES AND PERFORMANCE OBJECTIVES

A. Investment objective

The FP’s investment objective is the maximization of returns and per-share capital appreciation via investments mainly in Romanian equities and equity-linked securities.

B. Performance Objectives

a. Discount Objective

The discount between the closing price for each trading day of the shares issued by FP and the latest reported NAV per Share should be equal to or lower than 15% in at least two thirds of the trading days during the Reporting Period (as defined in the IMA) (the “**Discount Objective**”).

b. NAV Objective

The Fund Manager should achieve a level of Adjusted NAV per Share (as defined below) higher than the reported NAV as at September 30th 2013 (the “**NAV Objective**”).

The adjusted NAV (the “**Adjusted NAV**”) for a given date will be calculated as the sum of:

- (i) the reported NAV as at the end of the Reporting Period (as defined in the IMA);
- (ii) any returns to shareholders, following reductions of the share capital (return of nominal) implemented after September 30th 2013 , and
- (iii) any Distribution Fee (as defined in the IMA) and any transaction costs relating to non-dividend distributions including buy-backs executed after 30 September 2013.

c. The Adjusted NAV per Share will be equal to the Adjusted NAV divided by the total number of the Fund’s paid shares, less treasury shares, on the last day of the Reporting Period (the “**Adjusted NAV per Share**”).

C. General principles for achieving the objectives

The Board of Nominees and the General Shareholders Meeting review the performance of the Fund Manager, on an annual basis, for the period of time established as the Reporting Period (as defined and further detailed in the IMA).

In the absence of investment opportunities offering better returns for shareholders, the Fund Manager will use all or a significant part of the proceeds from dividends and disposal of portfolio companies to implement measures aimed at maximizing cash returns to shareholders and fulfilling the Performance Objectives. Discount management techniques may include (but are not limited to) the following:

- recommendation to shareholders for approval of buy-back programs of FP’s shares, global depositary receipts or depositary interests corresponding to shares of the Fund , subject to compliance with the Constitutive Act and all applicable legislation.
- reduction of nominal value of shares, accompanied by cash distribution to shareholders.
- execution of buy-back programs via (i) trading on the regular market on which FP’s shares are listed (ii) public tender offers, and (iii) purchasing global depositary receipts or depositary interests corresponding to shares of the Fund on the regular market on which such are listed, in each case subject to available liquidity, compliance with the Constitutive Act and all applicable legislation, and receipt of all necessary regulatory approvals.
- increasing investor demand for the shares, with the aim of increasing the market price, by:
 - maintaining a transparent dividend policy;
 - increasing the share of listed companies in the portfolio and their transparency;

- building good communication through active investor relations work; and
- supporting initiatives to make the Romanian capital market more attractive for investors.

In order to achieve the objectives in the IPS, the Fund Manager should pay attention to:
