

**MEMO**  
**REGARDING THE AMENDMENT OF THE CONSTITUTIVE ACT OF**  
**SC FONDUL PROPRIETATEA SA**

By Resolution no. 2 of 6 September 2010, the Extraordinary General Shareholders Meeting of SC Fondul Proprietatea SA approved the current version of Fondul Proprietatea's Constitutive Act, subject to amendment.

Following the request of the National Securities Commission ("CNVM" in Romanian), the Constitutive Act was subsequently amended by Resolution no. 5 of 29 November 2010 of the Extraordinary General Shareholders Meeting,

Accordingly, the dual administration system (whose governing bodies were the Directorate and the Supervisory Board) was replaced by the unitary administration system exercised by the Sole Administrator Franklin Templeton Investment Management Limited United Kingdom, Bucharest Branch.

After a year of operation under these conditions, Franklin Templeton Investment Management Limited United Kingdom, Bucharest Branch, in its capacity as Sole Administrator of SC Fondul Proprietatea SA proposes a number of amendments, as follows:

- At Article 11 we propose the elimination of the restrictions of the voting rights, thus each share to grant one voting right. The Sole Administrator proposes the amendment of the text rephrased by the National Securities Commission.
- At Article 12, paragraph (2) letter a) we proposed the elimination of the references for approving the internal auditor report, since according to the legislation in force the internal auditors are independent and therefore their reports can be presented to the shareholders at best, but cannot be amended and / or approved by the latter. The legal grounds for the independence of the auditors can be found in Government Emergency Ordinance 75/1999 as further amended and supplemented and in the Internal Audit Regulations drawn up and approved by the Chamber of Financial Auditors of Romania approved under Resolution 88/2007 of CAFR (Chamber of Financial Auditors of Romania).
- At Article 12, on paragraph (2) letter f) we proposed the elimination of the references to the remuneration of the administrator and of the auditors, since it is in the legal nature of such agreements to contain the price, the mentioning thereof in the Constitutive Act not being necessary. The National Securities Commission did not have any comments on the Sole Administrator's proposal.
- At Article 12 paragraph (2) letter i) the text was amended following The National Securities Commission's request (the word "establishes" was replaced with "approves").
- At Article 12 paragraph (2) letter j) the text was amended following The National Securities Commission's request.
- At Article 12 paragraph (3) letter h) we propose the change of the cap for which the approval of the Extraordinary General Shareholders' Meeting is required from 5% of the total value of the net assets of Fondul Proprietatea to 20% of the total immovable assets, individually or cumulative, during a financial year, less any claims, for correlation with the provisions of Art. 241 of Law no. 297/2004 on capital markets, as further amended and supplemented. The National Securities Commission did not have any comments on the Sole Administrator's proposal.
- Art. 12 paragraph (3) we proposed the introduction of new letter by which the approval of the Investment Policy Statement is included in the powers of the Extraordinary General Shareholders' Meeting, since such powers resulted from the Statement in force but were not mentioned in the

respective article. The National Securities Commission did not have any comments on the Sole Administrator's proposal.

- At Art. 14 on paragraph (6) we introduced a note saying that the legal representative of the Sole Administrator must chair the meeting all the time. Such regulation is necessary since the number of shareholders of SC Fondul Proprietatea SA is large and organization problems must be avoided. This is a common practice within Fondul Proprietatea's general shareholders meetings. The National Securities Commission did not have any comments on the Sole Administrator's proposal
- At Art. 14. on paragraph (12) we propose the introduction of the electronic vote, in order to make the correlation with the provisions of Regulation no. 6/2009 of the National Securities Commission. The Sole Administrator proposes the amendment of the text rephrased by the National Securities Commission.
- At Art. 14 on paragraph (16) we propose the correlation of the term with the term set out by Regulation no. 6/2009 of the National Securities Commission. The National Securities Commission did not have any comments on the Sole Administrator's proposal.
- At Art. 14 paragraph (18) we propose the introduction of the electronic vote, to make the correlation with the provisions of Regulation no. 6/2009 of the National Securities Commission. The National Securities Commission did not have any comments on the Sole Administrator's proposal
- At Art. 14 on paragraph (19) we propose the introduction of the electronic vote, to make the correlation with the provisions of Regulation no. 6/2009 of the National Securities Commission. The National Securities Commission did not have any comments on the Sole Administrator's proposal.
- At Art. 14 on paragraph (24) we propose that the procedure applicable for the secret vote to be regulated in the procedure regarding the organization and performance of the General Shareholders' Meetings, since the procedure will be different for the electronic vote. The Sole Administrator proposes the amendment of the text rephrased by the National Securities Commission.
- At Art. 17 paragraph (6) the text was rephrased, following the National Securities Commission's request.
- At Art. 17 paragraph (16) we proposed the rephrasing of the text for correlation with Art. 12. The Sole Administrator proposes the amendment of the text rephrased by the National Securities Commission.
- At Art. 17 we propose the entry of a new paragraph regarding the outsourcing activity, since such provisions are included in the Investment Management Agreement. The National Securities Commission did not have any comments on the Sole Administrator's proposal.
- At Art. 17 we propose the entry of a new paragraph in order to have this duty clearly set out for the Board of Nominees. The Sole Administrator proposes the amendment of the text rephrased by the National Securities Commission.
- At Art. 19 paragraph (1) we propose the amendment of the identification details of the legal representatives since Mr. Adrian Cighi changed his domicile from Cluj Napoca to Bucharest. We propose the amendment of the text considering the fact that CNVM has approved the appointment of Oana Valentina Truța as the third legal representative of Franklin Templeton Investment Management Limited United Kingdom, Bucharest Branch. The National Securities Commission did not have any comments on the Sole Administrator's proposal.
- At Art. 19 paragraph (3) we proposed to set the obligation of Fund manager to call the Ordinary General Meeting of Shareholders with at least 3 months before of the termination of Investment Management Agreement having on the agenda the extension of the mandate or the appointing of a new Fund Manager. The Fund Manager will organize the Ordinary General Meeting of Shareholders before the termination of Investment Management Agreement. The Sole Administrator proposes the amendment of the text rephrased by the National Securities Commission.
- At Art. 19 paragraph (5) taking into consideration that we will propose the shareholders to approve the addendum to the Investment Management Agreement in the same time with the new

Constitutive Act, general provisions regarding the representative of the Fund that will sign the addendum on behalf of the Fund are imposed. The Sole Administrator proposes the amendment of the text rephrased by the National Securities Commission.

- At Art. 20 we propose the rephrasing of the text due to the future potential changes of the personal details of the legal representatives of the company – they shall be subjected to the approval of the National Securities Commission in compliance with the provisions of Regulation no. 4/2010 of the National Securities Commission. The National Securities Commission did not have any comments on the Sole Administrator's proposal.
- At Art. 21 paragraph (3) point iv) we propose the amendment of the text due to the fact that currently Fondul Proprietatea has no accounts, this activity being performed by the of the Sole Administrator's specialized departments. The National Securities Commission did not have any comments on the Sole Administrator's proposal.
- At Art. 21 paragraph (3) point viii) we propose the establishment of a clear responsibility of the Fund Manager as an executive body regarding the investments policy. The Sole Administrator proposes the amendment of the text rephrased by the National Securities Commission.
- At Art. 21 paragraph (3) point ix) we propose the supplementation of the text in order to corroborate it with Art. 55 of Law no. 297/2004 and Art. 8 of Regulation no. 15/2004 of the National Securities Commission. The National Securities Commission did not have any comments on the Sole Administrator's proposal.
- At Art. 21 paragraph (3) point x) we propose the we propose increase the cap for which the approval of the Extraordinary General Shareholders' Meeting is necessary from 5% of the total value of the net assets of Fondul Proprietatea (calculated according to the rules of the National Securities Commission) to 20% of the total immovable assets, less any claims, individually or cumulatively, during a financial year, for correlation with the provisions of Art. 241 of Law no. 297/2004. The National Securities Commission did not have any comments on the Sole Administrator's proposal.
- At Art. 21 paragraph (3) we proposed the introduction of a new paragraph by which the Fund Manager having executive powers is empowered to conclude any agreement/document which creates legal obligations binding for Fondul Proprietatea (including, without limitation, the purchase, sale, conversion or pledging of the assets of Fondul Proprietatea) the value of a which is smaller than or equal to 20% of the total immovable assets, less any claims, without the prior approval of the Ordinary or Extraordinary General Shareholders' Meeting. The National Securities Commission did not have any comments on the Sole Administrator's proposal.
- At Art. 21 paragraph (3) point xii) we proposed the supplementation of the text by mentioning the type of General Shareholders' Meeting entitled to approve the conclusion of the financial audit agreement, in order to make the correlation with Art. 12. The National Securities Commission did not have any comments on the Sole Administrator's proposal.
- At Art. 21 paragraph (3) we proposed the introduction of a paragraph by which the Fund Manager having executive powers is empowered to propose the recommendation for the appointment of the intermediary of the public offer, as well as its remuneration, at the time the appointment of such intermediary company will be necessary for the listing of Fondul Proprietatea. The Sole Administrator proposes the amendment of the text rephrased by the National Securities Commission.

companies, republished. The National Securities Commission did not have any comments on the Sole Administrator's proposal.

- At Art. 31 we proposed two amendments because this is since it contradicts the provisions of Government Resolution no. 1514/2008 that set out that "*FP must be seen as an entity which will be in business for a long time, not as an entity with a predetermined term*". The Sole Administrator proposes the amendment of the text rephrased by the National Securities Commission.
- At Art. 33 we propose the rephrasing thereof in order to make the correlation with the legal provisions in force – Regulation no. 4/2010 of the National Securities Commission and Measure Orders given subsequently by the National Securities Commission. The National Securities Commission did not have any comments on the Sole Administrator's proposal.
- At Art. 34 we propose the rephrasing of the entire article since such restrictions are legal restrictions that are also included in the regulations in force. We propose this change because if the legislation changes and we do not change this article we will have to convene an Extraordinary General Shareholders' Meeting in order to change such limitations, as they are not negotiable.

Please find attached to the present memo the comparison between the current version of the Constitutive Act in force and the amended version proposed by Franklin Templeton Management Limited United Kingdom Bucharest Branch. .

Please note that prior to drafting these amendments, Franklin Templeton Investment Management Limited United Kingdom, Bucharest Branch, in its capacity as Sole Administrator of SC Fondul Proprietatea SA, has consulted with the National Securities Commission.
