- c) for **legal entity shareholders**:
 - original or true copy of the up-to-date findings certificate issued by the Trade Registry (in Romanian "certificat constatator") or any other document, in original or true copy, issued by a competent authority of the state where the shareholder is duly incorporated, all being no older than twelve (12) months as from the date of the general meeting convening notice was published in the Official Gazette of Romania, allowing for the identification thereof in the Company's shareholders registry on the Reference Date issued by Depozitarul Central SA;
 - the capacity of shareholder's legal representative shall be taken from the Shareholders' Registry issued by Depozitarul Central SA at the Reference Date; however, if the shareholder did not inform in a timely manner Depozitarul Central SA of its legal representative (so that the shareholders' registry at the Reference Date reflect that), then the findings certificate/similar documents mentioned above must comprise the capacity of legal representative;
 - for the Ministry of Finance, the capacity of legal representative shall be proven by the appointment decree issued by the President of Romania.

Documents in a foreign language (except for identity cards valid on the territory of Romania, in Latin characters) will be accompanied by their translation into Romanian or English, save for the documents attesting the legal representative drafted in a language other than English which shall be accompanied by their translation into Romanian or English performed by a certified translator. FP shall not request that the documents attesting the shareholder's legal representative capacity be legalized or apostilled. The above-mentioned documents may be sent by e-mail with incorporated extended electronic signature in accordance with Law no. 455/2001, at agafp@fondulproprietatea.ro.

A ballot template for voting by correspondence:

- a) shall be made available to the shareholders by the Company at the same coordinates and under the same conditions as the information materials and the forms for the special powers of attorney;
- b) shall be updated by the Company if new items are added to the EGM agenda and shall be published on the Company's website in its updated form.

If a shareholder voted by sending a ballot paper by correspondence, but then attends the EGM either personally or through a proxy (provided a special/general power of attorney has been submitted under the conditions above-mentioned), the correspondence vote shall be annulled and only the direct or the vote expressed through the proxy shall be taken into consideration.

If the person representing the shareholder at the general shareholders' meeting is other than the person who expressed the correspondence vote, then for its validity, the proxy must present at the general meeting a written revocation of the correspondence vote, signed by the shareholder or by the representative who expressed the correspondence vote. This will not be applicable if the shareholder or its legal representative is present at the general meeting.

Voting by correspondence may be expressed by a representative only if he/she:

- a) has received from the shareholder that he/she represents a special/general power of attorney; or
- b) the representative is a credit institution providing custody services.

The general procedure for the organisation of general meetings (which shall be available at the same coordinates and in the same conditions as the information materials) details the procedure allowing both the vote by representative with special/general power of attorney, vote through a custodian bank and the vote by correspondence, and the shareholders must comply with the said procedure. Special/General powers of attorney and ballots for voting by correspondence must be signed by all the natural person collective shareholders or their legal representatives (in the case of natural persons lacking exercise capacity or with limited exercise capacity), who shall assume both their capacity (proven by means of evidentiary documents attached to the special/general power of attorney/ballot) and the signature authenticity.

The checking and validation of the special/general powers of attorney submitted, as well as the centralization, checking, validation, and records of the votes by correspondence shall be performed by a commission established within the Company, whose members shall safely keep these documents, as well as the confidentiality of the votes thus expressed. Powers of attorney and voting ballots shall also be checked by the EGM secretary. In the event that the agenda is supplemented, and the shareholders fail to send the updated special powers of attorney and/or ballots for voting by correspondence, the special powers of attorney and ballots sent prior to the supplementation of the agenda shall be considered only with reference to the items therein which are also found on the supplemented agenda. All discussions held during the EGM are audio recorded. If participants want to obtain a copy of the recordings, these will be available at the FP registered office, in exchange for a fee (the cost will not exceed the value of expenses incurred by FP in relation to transferring the audio recording to material support), within thirty (30) days after the EGM date. Additional information may be obtained from the Department for Shareholders' Relations at the telephone number + 40 21 200 96 28 (or through reception at + 40 21 200 96 00; fax: +40 21 316 300 048; e-mail: agafp@fondulproprietatea.ro) and on the Company's website: www.fondulproprietatea.ro.

After the EGM, the shareholder or a third party appointed by the shareholder may obtain from the Company, at least upon request, a confirmation of recording and counting of votes by the Company. The request of such confirmation may be asked for within one (1) month as of the voting date. In this case, the Company will send the shareholder an electronic confirmation of recording and counting of votes, according to the provisions of article 97 para. (3) of Issuers' Law and of article 7 para. (2) of CE Regulation 1212/2018, in the format set out in Table 7 of Annex to the CE Regulation 1212/2018.
