Public tender offer process in relation to the tenth buy-back programme

Franklin Templeton Investment Management Ltd. United Kingdom Bucharest Branch, in its capacity as Investment Manager (the “**Investment Manager**”) of Fondul Proprietatea SA (the “**Fund**”), would like to inform shareholders that it submitted today for approval with the Financial Supervisory Authority of Romania (the “**FSA**”) an application for the endorsement of a tender offer for cash of its own shares in relation to the tenth buy-back programme approved by the Fund’s Extraordinary Shareholders’ Resolution no. 4 / 14 November 2018 (the “**Offer**”).

The Investment Manager would also like to inform shareholders and investors that it has engaged Banca Comercială Română S.A. together with Auerbach Grayson as agents and Banca Comercială Română S.A. as intermediary in relation to the purchase of shares as per the buy-back mandate terms and the Bank of New York Mellon as tender agent in relation to the purchase of global depositary receipts (“**GDRs**”). Under this tender offer, the Fund intends to repurchase from its shareholders up to 150,000,000 shares (both in the form of shares and GDRs).

It is expected that full details of the tender offer, including pricing, to be announced if and when the tender offer is implemented and approval is received from the FSA, which is expected to occur within 10 business days according to the regulations in force.

In light of this development, the Fund would also like to report that the daily execution of the buy-back programme with respect to shares on the Bucharest Stock Exchange and GDRs on the London Stock Exchange has been suspended with effect from 14 June 2019; any restart, which, if the tender offer is launched, will be after the closing of the tender offer, will be announced in due course.

Important disclaimer to shareholders and investors

The filing of the application for the approval of the envisaged tender offer disclosed herein does not constitute a guarantee that the Fund will actually proceed with the tender offer; the Fund's decision to launch the tender offer will depend on several factors (including market conditions and the approval of the tender offer documentation by the FSA). Nothing in this announcement shall be construed as an obligation of the Fund to implement the tender offer.
