For further details, please refer to the *Procedure regarding the organization and holding of General Meetings of Shareholders* (*Special conditions regarding collective natural person shareholders*) available on the Company's website;
c) for **legal entity shareholders**:
    - original or true copy of the up-to-date findings certificate issued by the Trade Registry (in Romanian "certificat constatator") or any other document, in original or true copy, issued by a competent authority of the state where the shareholder is duly incorporated, all being no older than twelve (12) months as from the date when the general meeting convening notice was published in the Official Gazette of Romania and allowing identification thereof on the Company's shareholders registry on the Reference Date issued by Depozitarul Central SA;
    - the capacity of shareholder's legal representative shall be taken from the Shareholders' Registry issued by Depozitarul Central SA at the Reference Date; however, if the shareholder did not inform in a timely manner Depozitarul Central SA of its legal representative (so that the shareholders' registry at the Reference Date reflect that), then

the findings certificate/similar documents mentioned above must comprise the capacity of legal representative;

The above-mentioned documents may be sent by e-mail with qualified electronic signature as per Law no. 214/2024, at agafp@fondulproprietatea.ro.

A special power of attorney template:
a) shall be made available to the shareholders by the Company at the same coordinates and under the same conditions as the information materials;
b) shall be updated by the Company if new items are added to the EGM/OGM agenda and shall be published on the Company's website in its updated form;
c) shall be filled in by the shareholder in three counterparts: one for the shareholder, one for the representative, and one for the Company.

If during the general meeting of shareholders certain items which were not included on the published convening notice are being discussed, in accordance with the legal provisions, the representative may vote on these items according to the interest of the represented shareholder.

Generally, a shareholder may mandate only one proxy to represent him/her/it at the EGM/OGM. However, the special power of attorney may nominate other person(s) as substitutes empowered to represent the shareholder at the EGM/OGM in case the said main proxy would be in impossibility to exercise his/her mandate. The special power of attorney must provide the order under which the said substitutes vote in case the proxy does not attend the EGM/OGM.

Vote by representative holding a general power of attorney

In opposition with the special one, the general power of attorney allows the proxy to vote on behalf of the shareholder in any aspect on the agenda of one or more companies identified in the power of attorney, individually or by general reference to a certain category of issuers, including disposal acts. The shareholder may grant a valid proxy for a period which shall not exceed three (3) years, unless the parties have expressly provided for a longer period.

For the mandate's validity, the proxy must be either an intermediary (in accordance with Article 2 para. (1) item (19) of Issuers' Law) or an attorney at law for whom the shareholder is a client.

Also, the proxy should not be in a conflict of interest situation, such as:
a) It is a majority shareholder of FP, or of another entity, controlled by that respective shareholder;
b) It is a member of an administration, management or supervisory body of FP, of a majority shareholder or of another entity, controlled by that respective shareholder;
c) Is an employee or auditor of FP or of a majority shareholder or of another entity, controlled by that respective shareholder;
d) Is a spouse or relative (up to, and including, fourth degree filiation) of one of the individuals mentioned above.

The proxy cannot be replaced by another person unless this right was expressly conferred to him/her by the shareholder in a power of attorney. If the proxy is a legal entity, then the latter may carry out the

general mandate through any of member of its administration/management body or of one of its employees. These provisions do not affect the right of the shareholder to designated by a power of attorney one or more alternate proxies, according to the regulations described above regarding special proxies.

In view of the EGM/OGM, and before their first use, the general powers of attorney are to be sent to the Company's headquarters in Bucharest, 76-80 Buzeşti Street, 7th floor, 1st District, postal code 011017 so that it is received by the Company by **25 September 2026, 11:00 AM** (Romanian time) **for documents regarding the EGM** and **25 September 2026, 12:00 PM** (Romanian time) **for documents regarding the OGM**, in copy, certified as being the same with the original by the proxy or by e-mail with qualified electronic signature as per Law no. 214/2024, to agafp@fondulproprietatea.ro. The said copies are retained by FP, and a mention of this is inserted in the minutes of the general shareholders' meeting.

Documents accompanying the general power of attorney:

a) proof that the proxy is an intermediary in accordance with Article 2 para. (1) item (19) of Issuers' Law or an attorney at law, and that the shareholder is the proxy's client;
b) for **natural person shareholders** – copy of the shareholder's identity card, allowing for identification thereof on the Company's shareholders registry issued by Depozitarul Central SA and a copy of the identity card of the representative (identity document or identity card for Romanian citizens or passport for foreign citizens);
c) in case of **collective natural person shareholders**, by presenting copies of the identity documents of all shareholders, which must allow for their identification in the FP shareholders list as of the reference date issued by Depozitarul Central SA, and a copy of the representative's identity document (ID card for Romanian citizens or passport for foreign citizens, including the personal identification number (PIN) – if applicable in the country of origin); the general power of attorney must be granted by all shareholders. For further details, please refer to the *Procedure regarding the organization and holding of General Meetings of Shareholders* (*Special conditions regarding collective natural person shareholders*) available on the Company's website;
d) for **legal entity shareholders**:
    - original or true copy of the up-to-date findings certificate issued by the Trade Registry (in Romanian "certificat constatator") or any other document, in original or true copy, issued by a competent authority of the state where the shareholder is duly incorporated, all being no older than twelve (12) months as from the date when the general meeting convening notice was published in the Official Gazette of Romania and allowing identification thereof on the Company's shareholders registry issued by Depozitarul Central SA;
    - the capacity of shareholder's legal representative shall be taken from the Shareholders' Registry issued by Depozitarul Central SA; however, if the shareholder did not inform timely Depozitarul Central SA of its legal representative (so that the shareholders' registry at the reference date reflect that), then the findings certificate/similar documents mentioned above must comprise the capacity of legal representative;
    - for the shareholder Ministry of Finance the capacity of legal representative shall be proven by the appointment decree issued by the President of Romania; and
    - copy of the identity card of the representative (the proxy) (identity document or identity card for Romanian citizens or passport for foreign citizens).

FP shall not request that the documents attesting the shareholder's legal representative capacity be legalized or apostilled. The above-mentioned documents may be sent by e-mail with qualified electronic signature as per Law no. 214/2024, at agafp@fondulproprietatea.ro.

The Company accepts a general power of attorney given by a shareholder, as a client, to an intermediary or to a lawyer, without requiring additional documents relating to that shareholder, if the general power of attorney is signed by that shareholder and is accompanied by an own responsibility

statement given by the legal representative of the intermediary or by the lawyer who has received the general power of attorney, indicating that:

a) the shareholder is a client of the proxy;
b) the general power of attorney is signed by that respective shareholder (ink signed or through a qualified electronic signature, as the case may be).

The said statement must be submitted in original at FP's headquarters or by e-mail with qualified electronic signature as per Law no. 214/2024, at agafp@fondulproprietatea.ro (in the same time with the general power of attorney and at the same coordinates as indicated in this convening notice) signed by the intermediary/attorney at law (without other formalities being necessary as pertaining with its form).

A template of the general power of attorney for EGM/OGM shall be made available to the shareholders by the Company at the same coordinates and under the same conditions as the information materials. The Company does not impose the use of the said forms.

For more details, please refer to the *Procedure regarding the organization and holding of General Meetings of Shareholders* (*Special conditions regarding collective natural person shareholders*) available on the Company's website;
c) for **legal entity shareholders**:
    - original or true copy of the up-to-date findings certificate issued by the Trade Registry (in Romanian "certificat constatator") or any other document, in original or true copy, issued by a competent authority of the state where the shareholder is duly incorporated, all being no older than twelve (12) months as from the date of the general meeting convening notice was published in the Official Gazette of Romania, allowing for the identification thereof in the Company's shareholders registry on the Reference Date issued by Depozitarul Central SA;
    - the capacity of shareholder's legal representative shall be taken from the Shareholders' Registry issued by Depozitarul Central SA at the Reference Date; however, if the shareholder did not inform in a timely manner Depozitarul Central SA of its legal representative (so that the shareholders' registry at the Reference Date reflect that), then

the findings certificate/similar documents mentioned above must comprise the capacity of legal representative;
- for the shareholder Ministry of Finance, the capacity of legal representative shall be proven by the appointment decree issued by the President of Romania.

b) shall be updated by the Company if new items are added to the EGM/OGM agenda and shall be published on the Company's website in its updated form.

If a shareholder voted by sending a ballot paper by correspondence, but then attends the EGM/OGM either personally or through a proxy (provided a special/general power of attorney has been submitted under the conditions above-mentioned), the correspondence vote shall be annulled and only the direct or the vote expressed through the proxy shall be taken into consideration.

If the person representing the shareholder at the general shareholders' meeting is other than the person who expressed the correspondence vote, then for its validity, the proxy must present at the general meeting a written revocation of the correspondence vote, signed by the shareholder or by the representative who expressed the correspondence vote. This will not be applicable if the shareholder or its legal representative is present at the general meeting.

Voting by correspondence may be expressed by a representative only if he/she:

The general procedure for the organization of general meetings (which shall be available at the same coordinates and in the same conditions as the information materials) details the procedure allowing both the vote by representative with special/general power of attorney, vote through a custodian bank and the vote by correspondence, and the shareholders must comply with the said procedure. Special/General powers of attorney and ballots for voting by correspondence must be signed by all the natural person collective shareholders or their legal representatives (in the case of natural persons lacking exercise capacity or with limited exercise capacity), who shall assume both their capacity (proven by means of evidentiary documents attached to the special/general power of attorney/ballot) and the signature authenticity.

The checking of the special/general powers of attorney submitted, as well as the centralization, checking, and records of the votes by correspondence shall be performed by a commission established within the Company, whose members shall safely keep these documents, as well as the confidentiality of the votes thus expressed.

If the EGM/OGM agenda includes resolutions requiring a secret vote, the special power of attorney / the voting ballot by correspondence shall be submitted through means that do not allow the disclosure of the secret vote until the moment the relevant agenda items are submitted to vote, and only to the members of the commission.

In this regard, shareholders are advised to place the identification documents in a separate envelope / separate file in case of submission by e-mail with qualified electronic signature (marked with the Shareholder's Name – **Identification Documents for the OGM/EGM dated 29/30 September 2026**), so that the commission members can carry out the necessary verifications.

In the case of submitting special powers of attorney and voting ballots by correspondence, together with the identification documents, in a single envelope / file, it shall be deemed that the shareholder has waived the secrecy of the vote; shareholders are informed and agree that, for the purpose of verifying and validating the related documentation, the envelope / file may be opened by the commission members prior to the OGM/EGM, and the commission members shall maintain the confidentiality of the votes thus expressed.

Powers of attorney and voting ballots shall be checked and validated by the EGM/OGM secretary.

In the event that the agenda is supplemented, and the shareholders fail to send the updated special powers of attorney and/or ballots for voting by correspondence, the special powers of attorney and ballots sent prior to the supplementation of the agenda shall be considered only with reference to the items therein which are also found on the supplemented agenda.

All discussions held during the EGM/OGM are audio recorded under the supervision of the Sole Director. If participants want to obtain a copy of the recordings, these will be available at the FP registered office, in exchange for a fee (the cost will not exceed the value of expenses incurred by FP in relation to transferring the audio recording to material support), within thirty (30) days after the EGM/OGM date.
