IOR SA

For this holding, the valuation method has been changed from Reference price - Average price (respectively Lei 0.4500 /share) to Fair value per share: adjusted trading price published by Reuters (respectively Lei 0.4075 /share) because the shares of this company were not traded during the last 30 trading days and the valuation based on the adjusted trading price published by Reuters is considered to reflect better the fair value of this holding than its shareholders' equity per share (respectively Lei 0.0173 /share).
