#### *Note:*

\* = In January 2012, the merger of Primcom SA as absorbing company with Delfincom SA and Prestari Servicii SA as target companies was registered with the Bucharest Trade Registry. As a consequence of the merger process, Delficom SA and Prestari Servicii SA have ceased to exist as separate legal entities and have been removed from the Bucharest Trade Registy. As the formalities necessary to register the new shareholding structure of Primcom SA. with the Central Depository have not been finalized yet the number of shares held in Primcom SA included in Fondul Proprietatea's portfolio is that resulted after the merger, as registered with the Bucharest Trade Registry and not the one registered with the Central Depository. Delfincom SA and Prestari Servicii SA have been excluded from Fondul Proprietatea's portfolio as these companies were removed from Trade Register during January 2012.
